HOW DO I PLACE MY ITEMS FOR CONSIGNMENT?

All clothes MUST be on hangers. Use safety pins to attach pants, skirts, belts, etc. if needed. Hangers face the garments right sleeve (to look like a question mark).

Clothes MUST be clean and ironed. Please snap all snaps and button all buttons. Stained or damaged items will not be accepted.

Attach 3X5 index card to all items. Use either safety pins (no straight pins) or clear packaging tape as long as it does not damage item

All items should be separated into girl/boy and by sizes. This will help us with sorting and hanging.

All items must be in whole dollars only. No items under \$2.00 please.

You MUST safety pin a 3X5 index card to the left shoulder of the garment and indicate size in the top left corner and price in the top right.

Put a brief description on the center and your consignor number (see helpful hints on how to obtain a number) at the bottom right corner. If you do not want your item marked down place a NM at the bottom left corner. If your items does

not sell by the end of sale and you want it to be donated place a D at the bottom left corner. See example.

Do I have to consign to shop? No, the sale is open to the public at 10am.

Where is the other 35% of the sale going? The 35% will benefit Grace Community Church Youth Program.

Will I know what items sold? Yes, you will receive your 3X5 index cards back.

When will I be paid for my items? Most consignors will be paid when you pick up your items. There might be a special circumstance where we will need to mail you a check.
